

## VISA CORPORATE

The Visa Corporate card offers your employees the convenience and spending power they need to pay for their travel and entertainment expenses locally and worldwide.

**The Visa Corporate card is the right solution for:**

- Medium, large, and multinational corporations
- Organizations that want to save time and money by simplifying their travel and entertainment expense process
- Companies looking for a corporate travel and entertainment card that offers worldwide acceptance, value-added services, and cash access

**How your company can benefit from using the Visa Corporate card:**

**Greater financial control.** Your company will be able to track travel and entertainment expenses, monitor vendor charges, and pre-set individual employee spending limits. In addition, you'll have access to detailed transaction level information, which can be used to negotiate discounts with vendors and manage employee compliance with corporate travel policies.

**Enhanced data services.** You can gain access to consolidated management data, along with transaction detail to more effectively manage and control your business travel-related expenses.

**Detailed reporting and analysis.\*** Visa's reporting solutions allow you to review your transaction details. Transaction reports can be selected to meet specific business requirements. Data can be fed into your accounting system, providing the most current and accurate information for analyzing corporate travel and entertainment expenditures.

**Online convenience.** With the Visa Corporate card, booking travel online is easy. The card provides your employees with an easy and secure way to pay for travel-related services electronically.

**Valuable services and protection.** Your employees will benefit from Visa services such as travel, medical, and legal referral assistance. Emergency cash and card replacement are also available. Primary auto rental insurance is available in selected markets.

**Worldwide acceptance.** The Visa Corporate card is welcome at millions of locations worldwide and throughout the Visa Global ATM Network. Whether your employees need to travel locally or around the globe, no other payment brand is accepted in more places.
